PLACE VALUE - TENS & ONES

WEEKLY FREEBIE #63

Dwayne Douglas Kohn

Thank you for downloading this title. It is just one of the many WEEKLY FREEBIES available on my TeachersPayTeachers store. To receive notice of upcoming FREE titles, please click "Follow Me" on my store page (see link below).

Use this Place Value Flip Booklet to teach and/or reinforce number concepts such as counting, tens and ones, ten frames, and more! Simply cut out the 3 large rectangles, cut flaps on two of the pages and staple together to create a fun learning experience! Each page is available as a black and white student reproducible as well as a full color teacher sample!

Over 300 reproducible titles are available at <http://www.teacherspayteachers.com/Store/Dwayne-Kohn>.

These materials are available in a variety of languages: English, Spanish, Chinese, French and many others.

The copying, transmission or unauthorized reuse of this work not only violates federal copyright laws, punishable by civil and criminal sanctions, but is also highly unethical.

Reproduction of these materials is permitted for classroom use by the purchaser only. Reproduction of these materials for an entire school or school district is strictly prohibited.
